

Precision Tweezers

A range of high quality stainless steel tweezers designed to meet the requirements of the electronics and precision engineering industries. Material: Anti-Magnetic, Anti-Acid Steel

Ergo-Grip Tweezer Series

This series of tweezers with soft foam cushion grip provides relief from heat and hand fatigue and anti-slip.

TZ-202

Super Fine Tip Straight Tweezer (120.5mm)

- No.5
- Non-magnetic

Material	Spec.	Magnetic	Weight (g)	Individual Packing
AISI304	No.5/120.5mm	Non	34	Blister Card

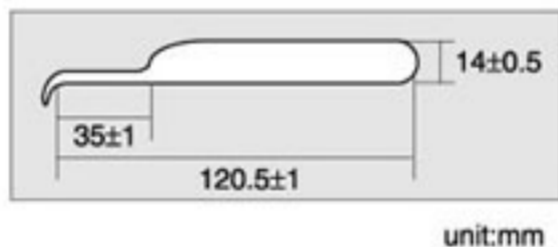

TZ-204

Fine Tip Curved Tweezer (120.5mm)

- No.7
- Non-magnetic

Material	Spec.	Magnetic	Weight (g)	Individual Packing
AISI304	No.7/120.5mm	Non	32	Blister Card

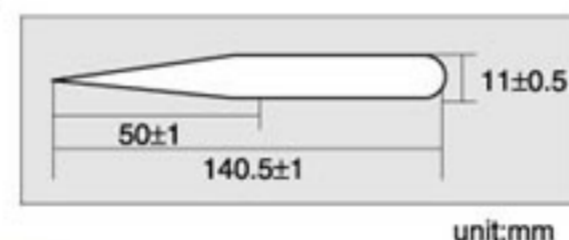

TZ-205

Fine Tip Straight Tweezer (140.5mm)

- No.SS
- Non-magnetic

Material	Spec.	Magnetic	Weight (g)	Individual Packing
AISI304	No.SS/140.5mm	Non	30	Blister Card

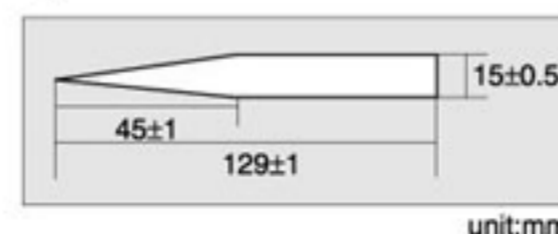

TZ-212

Extremely Fine And Sharp Tip (129mm)

- No.AA
- Non-magnetic

Material	Spec.	Magnetic	Weight (g)	Individual Packing
AISI304	No.AA/129mm	Non	37	Blister Card

TZ-225

Super Fine Tip Straight (120.5mm)

- No.00
- Non-magnetic

Material	Spec.	Magnetic	Weight (g)	Individual Packing
AISI304	No.00/120.5mm	Non	32	Blister Card
